\*E-Voucher refers to Touch 'n Go eWallet credit or such other Reward to be determined in Epson's discretion.

3. This Program is valid for purchases made during Term from Epson Authorized Dealers.
4. Each unit of Eligible Products purchased shall be entitled for one (1) E-Voucher redemption through the designated official website: <https://epsonrewards.my>.
5. Each Participant is limited to redeem Reward for a maximum of two (2) units of Eligible Products.
6. Reward is to be given to Participants who purchased the Eligible Products at Epson's Recommended Selling Price or normal selling price. Customers who purchased below the Recommended Selling Price are not entitled to the Reward under this Program.
7. Reward redemption must be submitted through the designated website -: <https://epsonrewards.my> within 14 days from the date of the invoice for the purchased Eligible Products.
8. The last day to redeem Reward is 14th January 2023, or until Rewards are fully redeemed, whichever is earlier.
9. A clear photo of the product serial number (found on the purchased product) and a copy of the sales invoice/e-warranty email confirmation in respect of the purchased product must be submitted to redeem the Reward. Reward will be sent via email within 21 working days of redemption submission after verification of the documents.
10. Epson reserves the absolute right to reject ineligible redemption submissions, incomplete and/or incorrect Reward redemption submissions as well as redemption submissions for the purchase of Eligible Products below the Recommended Selling Price.
11. Reward is not refundable and not exchangeable for cash or any cash equivalent.
12. Epson shall not be responsible for expired, dishonoured or unclaimed Reward.
13. Epson shall process all personal information and data supplied by Participant in accordance with Epson's Personal Data Policy as published in <https://www.epson.com.my/personal datapolicy>.
14. By participating in this Program, Participants are deemed to have consented to abide by the said terms and conditions set by Epson.
